The Boys' Top 150 Showcase is a one of a kind event in the state of Texas. It will bring together the some of the best players from all over the state of Texas and beyond. Student athletes will participate in the following divisions:

- Middle School: Rising 7th and 8th graders
- High School: Rising 9th through 12th graders

The Boys' Top 150 Showcase will allow participants the opportunity to showcase their abilities to college programs from across the country via video live streaming, while competing against the best talent in the state of Texas. Additionally, (if it fits the college's schedule) participants will have the opportunity to go through a campus visit at a local Georgetown, TX college/university.

During the campus visits, participants and their parents will have the opportunity to talk to the admissions staff, go on a campus visit, and talk to the athletics department staff (11th and 12th graders only).

The opportunity to participate in this event is a privilege that student athletes have earned through their hard work and dedication. Our goal with this event is to showcase the talent that Texas has to offer for the nation to see.
